Notice: Postponement of the WLF5 and Launching of KLC2020 on Schedule

Dear ICL partners, WLF5 speakers and sponsors,

The ICL is grateful for your long continued and strong supports to the ICL activities.

Although the ICL planned to organize the Fifth World Landslide Forum (WLF5) and launch the Kyoto Landslide Commitment 2020 (KLC2020) on 2-6 November 2020, the Organizing Committee of WLF5 regrets to announce this official notice regarding the postponement of the WLF5 for one year to 2-6 November 2021 at the same venue (Kyoto International Conference Center), due to the COVID-19 pandemic. Meanwhile, the thematic issue of Landslides, the full color books, and the electronic proceedings will be published on schedule. Due to this change in schedule, we had to change the original plan to split the registration fee in two parts; 1) publication fee and for 2) fees for forum participation, oral presentation with full color book Vol.1, electronic proceedings, electronic posters and new publication of WLF 5 abstract volume.

The KLC2020 will also be launched on schedule in the 2020 ICL-IPL online Conference on 2-6 November 2020.

The ICL would like to request all ICL partners, WLF5 speakers and sponsors to support this revised plan and to join the KLC2020 as partners, and to participate in the rescheduled WLF5 in 2021.

Please forward this letter to whom it may concern.

With thanks for your kind understanding and cooperation to this sudden rescheduled plan of WLF5 and KLC2020,

ICL Board members and WLF5 Organizing Committee members
